Profile: 15 years experience as a professional illustrator and 10 years experience creating complete toy lines for international Toy and Die Cast companies. I have managed staffs of up to 10 graphic artists and have created over 400 mass produced toys, packaging, die-casts and design projects from concept to completion. Currently servicing the motion picture industry.

Skills: Graphic Design: Complete illustration and coloring, complete digital design using Photoshop and Illustrator Software. I can replicate any style or create my own. I have experience following strict design criteria for all applications and can illustrate realistically as well as imaginatively against short deadlines.

Software: Photoshop, Illustrator, Acrobat, Suitcase, Macintosh, large format printing software and over all technology troubleshooting.
