INFORMATION

Technical:--I have production sound experience varying from 35MM and 16MM synch sound using digital recording (788T) (Deva), and Time-code DAT. I am familiar with most HD cameras; traditional & DSLR including SONY, Panasonic, RED, **ARRI ALEXA, and Cannon**. I have done direct to camera recording as well. Familiar with several microphones including Sanken, Schoeps, Neumann, Sennheiser, and Tram. I am well versed with lectrosomics wireless mics and have a great deal of experience in wiring talent with body transmitters and hiding their microphones. I own and am able to operate a playback system and resolve most sound issues. I have had extensive studio experience with music production and have been able to adapt my skills to work in the field. I have worked on productions throughout the Southeast including Alabama, Florida, Georgia, North Carolina, South Carolina, and Tennessee.
