Makeup Artist / Wardrobe Stylist

Summary of Qualifications

- I have completed makeup artistry courses in High Definition (HDTV), Beauty, Fashion, Advertising and Bridal
- I have completed over 40 courses related to Fashion, Retail, Buying, Marketing, Advertising and Design.
- I have participated in a University fashion show, a retail fashion show (Gantos) and designed costumes for a major community production.
- I assisted in the family's beauty salon for over 10 years.

Relevant Experience

- I am talented. I am extremely passionate and conscientious about the makeup and fashion. My clients and peers consistently look to me for fashion trends, makeup application, advice and purchasing retail.
- I am an artist. I enjoy creating a look whether it's natural, dramatic or for a period.
- I am a stylist. I fervently follow retail trends and marketing closely. In my retail experience, I developed an outstanding reputation with clients resulting in return business
- I am a professional. I'm completely in tune with the actor/model's look and will do whatever it takes to assist the photographer/producer in achieving the final product.
- I am a team player. Throughout my career, I have learned to collaborate with others to complete a project successfully. In my travel experience, I collaborated with multiple vendors to provide clients with packages. In general, I enjoy working with others.
- I am efficient. I thrive on working in a fast paced, energetic environment. I have proven ability to multi-task and manage multiple projects.
