P r o f i l e

I am a Union Editor (MPEG Local 700) with 15 years of experience cutting a wide variety of styles in film and television, both long and short-form. I've edited comedy, drama, talk shows, narrative, episodic, mini-series, documentary, reality, sports, music videos, sizzles, and on. I've utilized my talents in writing, producing and directing to compliment my editing on a variety of shows, commercials and independent work. I've worked for studios major and minor such as CBS, BBC, PBS, KCET, ESPN, Discovery, Hallmark, Nickelodeon, and others.

I am an expert on every type of Avid both in offline editing, as well as online finishing with color correction for both film and TV (using scopes for NTSC Broadcast Standards). And I am well versed in related software programs (After Effects, Photoshop, DVD Studio Pro, Final Cut Pro) and related mediums (HD, DV, XD, film, digibeta, P2, Red, DI, Web prep). So basically I can take any project from start to finish, as needed. I am your all-around editor.

...I also like good food, good wine and a good conversation, preferably all at the same time.
