PROFESSIONAL PROFILE

Transportation Coordinator, Captain and Senior Driver/Generator Operator, with over 10 years of international working experience in the United States, Canada, Mexico and the Bahamas. A proven expert at leading and influencing others in creating and developing solutions. A consistent top performer, who delivers the budget, provides quality and service to each department and every production, while creating a fun and positive environment.

PROFESSIONAL SKILLS

Exceptional communication and resource capability, with the ability to move equipment anywhere and providing industry knowledge to trouble shoot problems in advance. An extensive vendor list, with strong relationships, allows access to every type of needed equipment (i.e., trucks, trailers, generators, camera cars, picture cars, etc.). Personal knowledge of scripts / script breakdown allows for an edge in realistic budgets with minimal re-work.
