

# Adam Lemnah

---

## Objective

My objective is to secure employment in the entertainment industry using my education, skills and experience.

## Experience

(REEL AVAILABLE UPON REQUEST)

### Writer

- Written 4 screen plays:
- Blood and the Moon – (Feature) Father Thomas Jacobs makes his way from 17<sup>th</sup> century Europe to the New World and finds that the superstitions of evil he left behind are nothing compared to the reality he must now face.
- The Springs – (Feature) An episodic look at life in a late 19<sup>th</sup> century/early 20<sup>th</sup> century Amusement park featuring the triumphs and trials of the people living and working in the park.
- Dolphin Street – (Feature) Over the course of a Halloween weekend, an African American high school student from an affluent family falls for the wild-spirited teenage daughter of his Caucasian neighbor. Their budding relationship sends shockwaves of anger and jealousy throughout their teenage world, culminating in a brawl at a Hallow's Eve Party that opens everyone's eyes to the racism that quietly bubbles under in polite society.
- Renaissance – (Television Pilot) A series that follows the lives of the pre-eminent artists, politicians and religious personalities that helped shape the high Renaissance.
