PROFILE

Highly passionate and dedicated Makeup Artist and Makeup Effects Artist with a strong focus on film and television production, as well as inclusivity for BIPOC skin tones. With years of experience, I have a proven track record of leading makeup teams of varying sizes and successfully executing the design and application phases of makeup looks. I am highly skilled in maintaining strict continuity and have a deep understanding of working with a wide range of skin types. Additionally, I bring a professional focus to the creation of medically accurate trauma effects, such as bruises, cuts, burns, and more. My dedication to my craft and commitment to producing exceptional results sets me apart in the industry.
