Prop Shop Fabrication:

Consoles, windows, specialty props, if you can dream it we can build it. All work is done in house on our productions. Saving your production only rental and outsourced construction costs for several departments. We have created custom practical lighting for Electric, Hero Props, and working consoles to help create the vision of your designs.

YOUR NEEDS COME FIRST.

We at RIK Productions care about our designers vision and the product we put into the world. In our fast paced industry time isn't always on our side, this doesn't mean that quality should suffer. We always strive for excellence and will always make sure you are happy with the quality you receive.
