## PROFILE

My name is Joan Azpeitia and I'm 22 years old.

I'm from Spain, Barcelona but currently I'm based in London.

The reason to come was to improve my work skills so I did a 4 months course focused on Compositing at Escape Studios.

## SKILLS

### Technical skills

Rotoscoping, clean up, wire and rig removal, keying, CG integration, stereoscopy.

Basic modelling, rigging, texturing, shading (mental ray and maya shaders), lighting and rendering (mental ray).

### Software skills

Nuke, maya, photoshop, mari, silhouette (I also have knowledge of video editing softwares as final cut, avid or premiere if needed).
