## Experience

A licensed working hair stylist and makeup artist to include traveling for freelance, agency, and as an educator. I have knowledge of various medias and styles including commercial, beauty, editorial, lifestyle and bridal, for print and film. I am a classically trained hairstylist and self-taught makeup artist. My graphic design background has set me apart from the rest with my understanding of composition, color, textures and structure. I have worked with clients such as Seventeen Magazine, Malibu Rum, Lowes, Belk, Escada, Wonderbra, Grazia Italia Magazine, Spike TV, Charleston, New York Fashion Week, The Sun, Cosmo and Muscle and Fitness Magazine.
