

# Prime Rib Productions

## Affordable ADR

recording/spotting/editing

### Recording ADR requires special skills and equipment

Prime Rib Productions is well equipped for the challenge – all at a rate that will fit the budget of today's independent filmmakers.

Experienced ADR recording and editing for film/television production.

State of the art **EdiPrompt** prompting software incorporated in a **Pro Tools** DAW results in picture perfect sync – every time.

Atwater Villlage, Los Angeles, CA 90039
