With years of experience as a Make-up Artist and Hair Stylist for theater, film, video, network news, television productions, commercials, corporate videos, and print, keeping current with techniques is key to better assist the production. Excellent natural looking application for both males and females. I am knowledgeable in application for HDTV. Creating characters for a feature films under the director's directions. I am also a licensed cosmetologist I can construct and maintain wigs. I can breakdown a script and handle a large cast in a timely manner. I have security clearance for governmental shoots and the United Nations. I understand and respect working along side with directors, DP's, producers, clients, CEO's, talent, and celebrities.
