IATSE Local 798 – Licensed Cosmetologist #CL1201423

Objective

To continue pursuing my love for the beauty industry. I have always enjoyed the hair & make-up industry, so I pursued & received my Cosmetology license in 1992 to make it my official career. I love challenges and learning new techniques as well as showing others the techniques I have learned in my 24 years behind the chair. My passion is creativity and I love to immerse myself in the film, print, television, special event, commercial world to satiate my natural curiosity to always be learning! I am detail oriented and have a positive attitude which is contagious! ☺

Work Education

1991-1992 Daytona State College Vocational Cosmetologist Degree

1992 – Present Cosmetology License FL Department of Professional Regulation

1993 – Present Continuing Education in adherence with cosmetology licensure requirements

Skills

Comfortable with being given direction for what your goal is, or if you give me a description, photo illustration or script, will help you make your vision become a reality. Strong in all areas of beauty hair & make-up, whether it be commercial, editorial, fantasy, catalog, corporate, salon service, or a final styling for your project or special event.
