#### **Left Right Entertainment July 2013 – June 2014**

While at Left Right I worked across a number of shows as both Lead Assistant Editor and Junior Editor positions. I was in charge of all technical and logistical aspects of the post workflow. My position also required that I work closely with all Post Production Producers, Editors and Field staff in a fast pace environment with tight Network and In-house deadlines. As Lead Assistant Editor I was the first point of contact for any and all issues regarding technical problems or specific requests in regard to post workflow management issues.
