### Lindsey Dowell Photography, Atlanta GA

1999-present

[www.lindseydowell.com](http://www.lindseydowell.com)

As the owner and lead photographer at Lindsey Dowell photography inc., I am solely responsible for all photography, image delivery, and retouching as requested. I am used to a demanding schedule with multiple projects and tight timelines. My client list includes high-end fashion, lifestyle and advertising brands such as JC Penney, Bloomingdales, Belk, LL Bean, Spanx, Coke, Northern Tissue and GA Pacific, each of which require the highest attention to detail and quality both in studio and on location. My strongest asset is the ability to convey a compelling visual story and deliver a professional product in a deadline driven environment.

### Paradigm Studios, Dallas Texas

1999-2010

Lead Photographer and Studio manager. Responsible for hiring any and all secondary photographers as needed. Approved hair & makeup, wardrobe stylist, photo assistants and talent. Managed all film and digital output and archival process for major fortune 500 retail company. Met and collaborated with creative directors, art directors and art buyers for each project to ensure brand management. Presented art direction concepts and supplied fashion photography for national campaigns for large fortune 500 retailer. Oversaw photo shoot production including set design, location scouting, casting, and hiring of all essential personnel. Maintained highest level of detail to ensure consistency and Brand support.
