Personal Summary:

Costuming crafts, sewing (hand and machine), excellent organization skills, excellent math and budgeting skills, pre- and post- production department work, setting and wrapping principal's room, background costuming, set costuming, budgeting, keen attention to detail, firearms proficiency, preparing animal skins and hand dressing deer hides into leather, spinning wool on a great wheel, knitting, weaving, crocheting, woodworking, leather work, bead weaving and bead work, historical reenacting (1750s), scuba diving, martial Arts (has been a few years but would love to be refreshed), horseback riding, hunting, shooting, swimming, jeweler, camping, fishing, hiking, & other outdoor activities, caring for injured animals (love animals- certified Wildlife Animal Rehabilitator), quilting, herbal medicine, making candles, baking, gardening (vegetables & herbs), canning

I can also work with snakes, frogs, spiders, worms, farm animals, etc., can lift heavy objects, have worked on film sets as cast and crew, slight southern accent, love learning new skills

Currently live in Marlinton, WV.

I loved volunteering at the Virginia's Explore Park, in the 1750's area for several years.

I am a Master Herbalist and do not have any tattoos or body piercings, and only one earring hole in each ear. A fast learner and enjoy giving a 100% to any project.
