

About Me

I'm a lifelong junkie of news, music, television, movies, and books. Basically anything pop culture. I live to soak up all the information I can. I've worked in radio, restaurants, an ad agency, and I even tried to sell mortgages before the housing crisis started. I'm what you would call a multi-hyphenate, can do type of guy, I do it all. I've worked in media for the better part this century and am vastly qualified for this position. All I need is my foot in the door to show what I can do.
