### **Special Skills/Experience:**

In the capacity of Paint Foreman, Lead Scenic Artist, Standby Painter. My credits include major independent and made for television films, Prime Time and Episodic television, Commercials and music videos. I have organized, Art Directed, Supervised Crews and Painted special events, Trade shows, Resort Casinos, and theme parks around the world.

### **Education and Professional Background:**

I have worked in all areas of the Entertainment Industry as a Lead Paint foreman/Lead scenic artist, Stand by Painter for 25 years. I feel comfortable working with budgets ranging from several thousands to millions. I read blue prints, and I am experienced with estimating and bidding on jobs of all sizes. I have organized crews in relation to various projects and their individual specialties. I work one on one with the Construction Coordinator, as well as Production, to see projects through to completion, and on time. I have the experience and the ability to deal with a wide variety of materials and their application's, with relation to sets, props, furniture, vehicles, or location structures. EX... Aging, Wood Graining, Marbleizing, Distressing, Faux Finishes, Furniture, antique, and Historical restoration, as well as any and all painted finishes.
