

# Marque DeWinter

Camera Assistant, Digital Imaging Technician, Loader  
Member IATSE Local 600

## Profile

I'm an experienced member of the camera department as a 1st AC, 2nd AC, DIT, and Loader. Recently I've signed on to work as a stereographer. My camera experience includes everything from an HVX-200 to Arri D21 to Sony F35 and includes film cameras by Arri, Panavision, and Aaton. I know the Red inside and out. Right now I'm looking to work on new projects and with new crew members and gain more experience.
